

# 78 FREE SITE TOOLS

Scan it. Use it. No app, no logins, no credit card.

## Zone Stacking Board

Flags trade stacking & out-of-sequence trades before they cost a day

## Pre-Start QR Sign-On

Crew scans, ticks, signs on — emailed to the record

## Incident & Near-Miss QR

30-second reports, name optional

## Live Permit Board

Permits go red the minute they lapse

## Site Diary

Weather auto-filled — your legal memory, kept properly

## 15+ calculators

Concrete, reo, bricks, excavation, slings, fall clearance, money

Plus delivery & crane slots, plant QR tags, defects lists, handover gates, subbie tracking, retention reminders and more. Built by builders on the Gold Coast.
